- ◆ Identify and Coordinate Volunteer Projects
- ◆ Promote public awareness of the value and benefit of the parks

Each and every one of us is aware of the benefits of parks in general and especially Fall Creek Falls. From improving our physical and psychological health, to strengthening our communities, and making our cities and communities more attractive places to live and work - the benefits of parks are endless! Our objectives as a membership sponsored organization is to broaden the base of supporters to advocate for Fall Creek Falls, to provide a stronger link between the surrounding communities, the parks visitors and staff, and to create and maintain areas of the park for the enjoyment of all.

Whether you are interested in volunteering during one of our work days, participating in our largest event of the year, "Mountaineer Folk Festival", or want to be included in fun volunteer opportunities, hike and bike activities, or exciting special activities offered by park rangers, a membership in The Friends of Fall Creek Falls State Park is for you!

You can help...

With your help we can further enhance and maintain the rich natural, cultural, and historic resources found within Fall Creek Falls State Park. We look forward to seeing you in a park soon!
